“ Denis is a truly fantastic and knowledgeable resource. He is always very prepared, tech savvy, and attentive to questions. I did not expect how hands-on this session was, but he has done a great job of walking us through both the tasks and logic behind the decisions.

- Emily (American Red Cross)

“ Denis' presentation was excellent. It was very informative, and really brought aspects of inclusion, diversity and accessibility to the forefront of awareness, with eye-opening information, lots of great resources, and an engaging speaker.

- O. Tundak (Stikeman Elliott LLP)

“ A clear and impactful presentation, packed with great, ready-to-use resources and valuable insights to help us understand the most common accessibility barriers in digital products and services. Thank you so much for this conference!

- C. Médan (Fonds FTQ)

“ Denis was simply amazing from start to finish. Loved the examples chosen, the concrete tools provided. For online virtual training, I don't think it could get much better!

- A. Murayama (IRCC - Federal Govt)

ABOUT DENIS

An international expert in digital accessibility and inclusive leadership with close to 25 years of experience in the field, Denis specializes in supporting organizations wishing to adopt more inclusive leadership and communication practices, particularly for their workforce and clients who live with disabilities, are ageing, or are marginalized by our use of technology.

Offering leaders and communicators the means to extend the reach of their message to a much broader audience, Denis is also the author of the Amazon bestseller "The Inclusive Speaker", published in 2023.
